

TERMS AND CONDITIONS MARYLAND

INTRODUCTION. This is an agreement, together with your Contract Summary, Confirmation Letter, and any and all Renewal Notices (if applicable) (collectively, the "Agreement"), between Indra Energy ("Indra Energy" or "Indra") and you for natural gas supply service and/or electric generation supply service at each of the account addresses listed in your Confirmation Letter (or listed in an addendum). You agree to authorize a switch of your natural gas and/or electric supply service to Indra Energy and to purchase all the natural gas and/or electricity from Indra Energy required to service each of the accounts listed in your Confirmation Letter (or listed in any addendum) at a price as described in this Agreement. Indra Energy is licensed by the Maryland Public Service Commission to provide natural gas supply service (IR-1803) and electric supply service (IR-1804).

PRICING.

Natural Gas and/or Electric Introductory or Initial Price

(when applicable): You will pay an Introductory or Initial Price as set forth in your Confirmation Letter and/or Contract Summary for the time period set forth in your Confirmation Letter and/or Contract Summary. Thereafter, your price for natural gas and/or electric supply service will automatically become for the length of this Agreement either a Variable or Fixed price as described herein and as stated in your Confirmation Letter and/or Contract Summary.

Natural Gas and/or Electric Fixed Price (when applicable):

You will pay a Fixed Price as set forth in your Confirmation Letter and/or Contract Summary for the fixed term indicated in your Confirmation Letter and/or Contract Summary. Before the end of your fixed term, Indra Energy will send you a notice with your contract renewal and pricing options. Your service will automatically continue under the specified renewal terms unless you contact Indra Energy to terminate as set forth herein and as stated in the Renewal Notice. If you terminate this Agreement prior to the expiration of the term, you will not be subject to any early termination fees.

Natural Gas Variable Price (when applicable): You will pay a Variable Price for natural gas supply service that may vary from month to month as determined by Indra Energy in its sole discretion, based on the wholesale cost of natural gas to the Delivery Point, administrative and regulatory compliance costs, supply and agency functions that Indra Energy performs for you, and other prevailing business considerations and market conditions, plus Indra Energy's costs, expenses and margins. This list of factors is not exhaustive and no single factor will determine the rate.

Electric Variable Price (when applicable): You will pay a Variable Price for electric supply service that may vary from month to month as determined by Indra Energy in its sole discretion based on the wholesale market prices acquired for energy, any supply and agency functions that Indra Energy performs for you, line loss, certain transmission, capacity, ancillary, administrative and regulatory compliance costs incurred by Indra Energy, alternative and renewable energy requirements, and other prevailing business considerations and market conditions, plus Indra Energy's costs, expenses and margins. This list of factors is not exhaustive and no single factor will determine the rate.

Natural Gas and/or Electric Supply Price Disclosures:

Your natural gas and/or electric supply service price does not include, and you will be required to pay, applicable taxes and fees. Your natural gas and/or electric supply service price does not include your utility charges, for which you are responsible. Your variable natural gas and/or electric supply service price(s) may fluctuate from month-to-month and your Variable Price may be higher or lower than your utility's sales service or standard offer service rates in any given month. Indra Energy does not guarantee savings in any month or for the entire length of this Agreement. Indra Energy's current and historical prices are not an indicator of future prices. You may access your estimated rate for your next billing period at least 12 days prior to the close of your current billing period by visiting the Indra Energy website at <https://www.IndraEnergy.com/maryland-rates/>. Indra Energy may provide an estimated price for your next billing period and, if it does so, Indra Energy shall not charge a price for billing purposes that is higher than the estimate provided. **There is not a limit on how much your variable natural gas and/or electric supply service price may change from one billing cycle to the next.** The prices quoted in this Agreement are for the specified commodity (ies) provided by Indra Energy, and the Maryland Public Service Commission does not regulate Indra Energy's natural gas or electricity prices.

AGREEMENT TERM. This Agreement will begin when your local utility switches your account to Indra Energy. For Variable Price natural gas and/or electric supply service, this Agreement will continue until terminated by you or by Indra Energy. For Fixed Price natural gas and/or electric supply service, this Agreement will continue for the period of time set forth in your Confirmation Letter and/or Contract Summary, and may renew thereafter in accordance with this Agreement.

TERMINATION. Indra Energy may terminate this Agreement for any or no reason by giving you 30 days' advance written notice before the effective date of such termination. You may terminate this Agreement at any time by: (a) calling (888) 504-6372; (b) sending a letter to 1515 Market Street, Suite 1200, Philadelphia, PA 19102; or (c)

CustomerCare@IndraEnergy.com. Upon termination as provided in this Agreement, you will be returned to your utility's standard service or you may choose another supplier. In any case in which your natural gas and/or electric supply service with Indra Energy is terminated as provided in this Agreement, you will remain obligated to pay for the natural gas and/or electric supply service provided by Indra Energy prior to the effective date of the termination. The effective date of termination will be determined by your utility.

NO EARLY TERMINATION FEE. If you terminate this Agreement prior to the expiration of the term, you will not be subject to any early termination fees.

FIXED TERM AUTOMATIC RENEWAL. At least forty-five (45) days before the expiration of your Fixed Term, Indra Energy will provide written notice to you of the Agreement's renewal ("Renewal Notice"). The Renewal Notice will set forth the proposed renewal option(s), including any applicable information required by the Commission. If you do not respond to the Renewal Notice or otherwise terminate this Agreement by notifying Indra Energy in accordance with the Termination section herein, then your Agreement will automatically renew in accordance with the terms set forth in the Renewal Notice.

BILL PAYMENT. You will receive a single bill from your utility each month which will include the charges for Indra Energy's natural gas and/or electric supply service and for the services provided by your utility. You will make payment for all of these services directly to your utility. You will be billed for gas and/or electricity based on your consumption information that Indra Energy receives from your utility (ies) ("Billing Quantity"). Payment for gas and electricity supply service is due on your receipt of the bill. If payment is not received from you on a timely basis, Indra Energy may, after 30 days written notice to you, suspend performance and terminate this Agreement pursuant to procedures approved by the Maryland Public Service Commission ("Commission"), provided, however, that you shall remain obligated to pay for all gas and electricity sold to you prior to such cancellation. You shall pay a late payment charge on all unpaid amounts (including arrears and late payment charges) owing and not received by Indra Energy within 20 days of the date of the bill at a rate of 1.5% per month or the maximum amount permitted by law, whichever is lower. You also shall pay Indra Energy's reasonable attorneys' fees and expenses incurred by it in collecting any payment from you.

CUSTOMER INFORMATION PRIVACY POLICY & RELEASE. You authorize Indra Energy to release Customer Information to third parties that need to know such information in connection with your natural gas and/or electric supply service. This authorization will remain in effect throughout the term of this Agreement. You may rescind such authorization at any time by calling or providing written notice to Indra Energy. Renewable energy products containing Tier 1 renewable sources (wind, solar, ocean, etc.) or Tier 2 renewable sources (hydroelectric power), the RECs retired may be used to meet Indra Energy's Renewable Portfolio Standards ("RPS") obligation for 2018 or 2019 Compliance Year. Indra Energy may also meet its RPS obligation by paying a compliance fee to the Fund under Public Utilities Article, § 7-705(b), Annotated Code of Maryland. If you select a natural gas renewable energy product, one hundred percent (100%) of your natural gas usage will be matched with carbon offsets.
